

UNLV Tech Trekker Mobile STEM Lab Principal's Consent Form

Project Information Statement / Letter of Invitation

I. Program Background

Tech Trekker brings specialized equipment into the classrooms, supplements teacher's STEM curriculum by providing NGSS standard-based projects/lessons, and supports teachers in the use of such equipment.

Dr. Erica Marti
Assistant Professor
Department(s): Civil and Environmental Engineering and Construction
Office: SEB 2136
Mail Code: 4015
Phone: 702-895-2693
Email: erica.marti@unlv.edu

II. Program Goals

Program goals are to increase student exposure to modern science and engineering tools, increase student engagement in science, and increase opportunities for K-12 science teachers by providing technology-based science and engineering lessons in their classroom that comply with NGSS standards.

III. Agreement (to be completed by principal)

I, _____, principal of _____ school, understand

- the program and what it requires of the staff, students, and/or parents in my school,
- that the privacy and confidentiality of any staff or student will be protected,
- that I have the right to allow or reject this program to take place in my school,
- that I have the right to terminate the program at any time,

I provide consent and approval to have UNLV Tech Trekker Mobile STEM Lab in my school as described.

I DO NOT provide consent and approval to have UNLV Tech Trekker Mobile STEM Lab in my school as described.

Please expect a telephone call to confirm consent and for validation purposes.

Signature of Principal

Date: _____
